

# TRUSTED HEALTH INFORMATION

On-demand, targeted content is only a **click** away.

Mayo Clinic health information is now accessible through the **HL7<sup>®</sup> Infobutton in patient portals.**

Access to Mayo Clinic content through the HL7<sup>®</sup> Infobutton provides current, evidence-based clinical information via keyword or ICD-10 search criteria.

**MAYO CLINIC DELIVERS ORIGINAL CONTENT BASED ON 150 YEARS OF MEDICAL PRACTICE.**

# LET MAYO CLINIC CONTENT SERVE YOU – AND YOUR PATIENTS

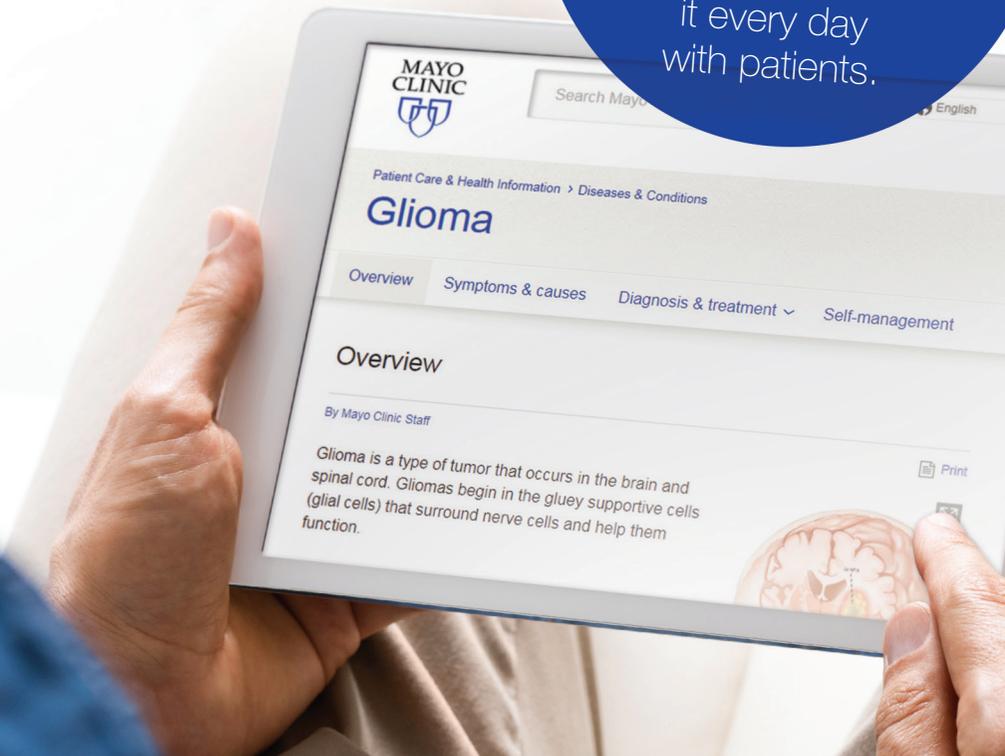

You work hard to serve patients with the best care. Now we want to serve you with expert health information that you and your patients can trust. Mayo Clinic is one of the few content providers that is also a health care provider.

- On-demand delivery via Infobutton
- Syndicated content delivered to the client
- Available in English and Spanish
- Regularly reviewed and updated by medical experts
- Easy implementation
- Experienced account team

**MORE THAN A CONTENT AGGREGATOR.**

Mayo Clinic creates content and uses it every day with patients.
